Michele and Laura,

I hope this email finds both of you well. I will be the Advance Representative to the Secretary for his remarks at the

National Stone Sand & Gravel Association Legislative & Policy Forum next Monday. I wanted to connect with you and see when a good time to schedule a walk-through of the event space.

I can do it this afternoon before 2:30 PM or any time Sunday. If neither of those options do not work for you, Monday morning of course would work as well.

I am leaving today on business travel and will be out of the district until Saturday, however, I will be available via email or cell (below) at anytime should you need anything from me or my team.

Thanks in advance and I look forward to working with the two of you.

Best,

WLB
